

**REMARKS**

This Response is prepared in reply to the first action Restriction Requirement mailed on 21 July 2005 (Paper No. 0705).

In Paper No. 0705, the Examiner imposed a restriction between:

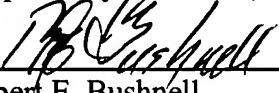

- Group I: covered by claims 1 through 11, drawn to a product of plasma display panel, classified in Class 313 and Subclass 582; and
- Group II: covered by claims 12 through 22, drawn to a method of manufacturing a plasma display panel, classified in Class 445 and Subclass 23.

Applicant respectfully elects, without traversal, Group I, claims 1 through 11. Claims 12 through 22 are canceled without prejudice or disclaimer of their subject matter. Thus, claims 1 through 11 are pending in the application.

In view of the above, it is submitted that the application is in condition for examination on the merits, and early allowance is requested.

No fee is incurred by this Response.

Respectfully submitted,
